ABOUT

IQBAL INSTITUTE OF TECHNOLOGY AND MANAGEMENT ,SGR

ITM was founded in June 01, 2006, it has 300,000 sq.ft. (approx. 52 kanals) for infrastructure, and however the Built-up Area is 75,000 sq. ft. It has led the way in developing new technologists, professionals by establishing online testing center and local academy (Of CISCO), besides providing Graduate and professional expertise. It has a Library housing 4700 volumes of books including computer science, English literature, Religious Scriptures, Journals & Magazines. It is fully WIFI enabled Campus.

Vision

“To contribute to the society through excellence in technical education and provide globally competitive work force through education, training and partnership with industry.”

Mission

To impart quality professional and technical education to students, inculcating in them national/ global perspective, leadership attitude, co-operative spirit, cultural outlook, ethical values, social responsibilities and healthy habits so as to contribute to the technological, economic and social development of the state.. To inculcate a value based education through fostering of dedication in staff and motivating students. To create effective interface with the industry and community to impart quality education at par with the best in the country and the world.

Objectives

- To establish and run educational institutions of high standard where moral education forms an important component of the syllabus along with other subjects.
- To work and evolve a comprehensive system for social service in the society to help poor and under privileged. To establish and run such commercial centers which shall alleviate the poverty and help develop the economy of the society.
- To establish and run such commercial centers which shall alleviate the poverty and help develop the economy of the society.
- To arrange for dissemination of knowledge and information using modern technology of print and electronic media.
- IITM is engaged in social service under the name of “Sakhawat Center J&K”.

Policy Document on the Green Campus

Green Campus: A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of mankind.

Objectives of the Green Campus Initiative:

- To protect and conserve ecological systems and resources within the campus.
- To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.
- To integrate environmental concerns into policies, plans and programmes for social development and outreach activities.
- To work with all stakeholders and the local community to raise awareness and seek the adoption of environmental good practice and the reduction of any adverse effects on the environment.
- To continuously improve our contribution to climate protection and adaptation to climate change and to the conservation of global resources.
- To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To make the campus plastic free.

Composition of the Green Committee

1. Principal of the college- Chairperson
2. IQAC Coordinator- Secretary
3. Faculty Representative nominated by the Principal
4. Student Representative- General Secretary of the college
5. Non-Teaching Staff Representative- Office Superintendent

Role of the Green Campus Programme:

1. Seek views of all the Stakeholders to make the Go Green Campus initiative functional throughout the year.
2. Conduct the Campus' environmental impacts to identify the targets for improvements.
3. Establish a Green Campus Environmental Ethic Awareness campaigns.
4. To conduct rallies on themes connected with 'Swachh Bharat Abhiyan' in and around the college campus to create mass awareness.

5. Link Green-Campus activities to Academics in the Institute.
6. Organize Awareness Programs for the students, faculty and society.
7. Phase out the CFL and conventional light source such as bulbs and tube lights, halogen and campus lights and get them replaced by the LEDs.
8. Conduct an Annual Green, Environment and Energy Audit.
9. Purchase only Energy Efficient equipment.
10. Follow policy of Refuse, Recycle, Reuse in letter and spirit.
11. Secure a commitment up front from the people in charge that well-founded recommendations will be acted upon once audits are completed.

C. Waste water Management/ Rainwater harvesting:

The Institute has to work in the direction of waste water management. The Institute will take all necessary measures to implement waste water management /rain water harvesting.

D. Major Green Campus Initiatives:
