The Curriculum is Contemporary encompassing Latest technologies. Since this is an affiliated institution, we have limited scope for designing curriculum for various courses hosted here.

The assessment is also undertaken by affiliating University except skill enhancement courses.

The institution should urge the student to attend various workshops that shall enable students to prepare themselves for any upcoming opportunity.

- Industrial visits outside state need to be encouraged specially for XIBA program to give better exposure to students.
- More student/faculty exchange programs should be conducted.
